**ADVERTISEMENT FOR HIRING OF PROFESSIONALS (ON CONTRACT BASIS) FOR
PROJECT MANAGEMENT TEAM**

The Defence Innovation Organisation (DIO) is looking to hire professionals as Individual Consultants (purely on Contract basis), having experience in working for promoting innovation and entrepreneurship and creating awareness at the grass-root level, at various positions for its iDEX team. Details of positions along with points of reference are given in **Annexure-I**.

The Innovations for Defence Excellence (iDEX) framework, launched in April 2018, primarily aims at creation of an ecosystem to foster innovation and technology development in Defence and Aerospace in India by engaging industries including MSMEs, Start-ups, Individual Innovators, R&D Institutes & Academia, and providing them grants/funding and other support to create product and services for future adoption for Indian defence and aerospace needs.

iDEX team is also the executive arm of the Defence Innovation Organisation (DIO), which is the legal entity, a Section-8 company, created by the defence PSUs HAL & BEL, to support the MoD in building the entrepreneurship and innovation ecosystem in Defence in India by implementing the iDEX framework.
