| 5. Key MSMEs' Suggestions                              | 43 |

## ABOUT

Department of Defence Production (DDP) in order to foster the growth and participation of Micro, Small and Medium Enterprises (MSMEs) in the Defence sector, is implementing a scheme for promotion of MSMEs in defence. Under this scheme, 01 National and 12 State Level MSME Conclaves are organized annually throughout the country preferably in Tier II and Tier III cities through industry associations as partner agencies and in collaboration with DPSUs. This aims to strengthen and expand the integration of MSMEs into the national defence production ecosystem, enhance their role in supply chains for domestic as well as export requirements, and encourage potential MSMEs from non-defence sectors to enter the defence domain.

During these Conclaves various sessions are organized to inform MSMEs regarding opportunities available in defence sector. It includes Ministry of Defence (MoD) initiatives to promote domestic defence manufacturing in the country like Indigenisation, iDEX, Export Promotion, Licensing processes etc.; Opportunities in Defence Public Sector Units; Requirements of defence forces; Schemes of Ministry of MSMEs; Facilitation from respective State/UT Government followed by interactive sessions with participating industries and other stakeholders regarding their perspective and challenges in the sector.

Since FY 2019-20, 51 MSME Conclaves have been organized throughout the country under this scheme. In FY 2025-26, around 1790 MSMEs/Start-ups/Institutions have been the part of these events. Almost all the States have been covered to unlock the potential of MSMEs in cities like Jammu, Shillong, Agartala, Durgapur, Jamshedpur, Salem, Kota, Indore, Patna, Guwahati, Raipur, Rajkot, Rohtak, Rourkela, Vijayawada, Rudrapur including others to integrate them into the national defence manufacturing landscape of the country.

**National Defence Industries Conclave at New Delhi**  
**Dated: 19<sup>th</sup> & 20<sup>th</sup> March 2026**  
**Theme: Advanced Manufacturing Technologies (AMT)**

The 02 days event aimed to provide a comprehensive platform to foster MSME participation while simultaneously addressing the adoption of advanced manufacturing technologies in defence production. Bringing together MSMEs/Startups, Large Industries, iDEX Innovators, Policy Makers, Academia & other Key Stakeholders to facilitate policy dialogue, tech awareness, supply chain integration and collaborative R&D.

**Participation:** 670 MSMEs/Start-ups/Institutions

## ADDRESSING MSMEs' QUERIES

How to get information about upcoming defence exhibitions, providing platform for MSMEs/Private Industry's participation and showcasing their products?

Details of domestic and foreign exhibitions are made available on DDP website [www.ddpmod.gov.in](http://www.ddpmod.gov.in) under Defence Exhibition Organization title. Further, all social media handles of DDP are embedded on website homepage for easy access to latest events and happenings.

What incentives are available for MSMEs in participating in these exhibitions.

For domestic exhibition (Aero India and Def Expo), MSMEs have been provided 50% discount on space booking charges. For Foreign exhibition, MSME may participate through India Pavilion.

How to get information at one place regarding the States' and Union Territories' schemes/incentives available to promote participation of industry including MSMEs/Start-ups in defence manufacturing.

“Aerospace & Defence sector policy Compendium of States and Union Territories” has been released by DDP comprising of policies/initiatives relevant to the defence production. The same is available on DDP website - [www.ddpmod.gov.in](http://www.ddpmod.gov.in).

What the measures are being taken for better utilization of Advanced Technology transfers by DRDO.

DRDO initiatives, policies & provisions and technologies are available on [www.drdo.gov.in](http://www.drdo.gov.in). For addressing queries of industries and support to industrial partners, DRDO has established Industry Interaction Group (IIG) at each of its laboratories/ establishments for open house discussions. Further, at Headquarter level, Directorate of Industry Interface & Technology Management (DIITM) is established, which may be reached at email id - [diitm.hqr@gov.in](mailto:diitm.hqr@gov.in).

What measures have been taken to cater the difficulties in accessing DPSUs/DRDO testing facilities by MSMEs.

Defence laboratories and proof ranges have been made accessible to private industry through Defence Testing Portal (<https://dtp.dggadefence.gov.in>). Further, for scaling up the testing/validation facilities, DDP has also allowed NABL accredited private labs for testing & certification.

## ADDRESSING MSMEs' QUERIES

How to get the access of getting real time information about status of Defence Industrial Licence application?

DPIIT has started Jan Sunwai mechanism on weekly/fortnightly basis to address issues related to Industrial Licence applications with status visibility on G2B portal - <https://services.dpiit.gov.in>.

Is Standard JSG-015 (Joint Service Guidelines for registration of manufacturers for defence stores by DGQA) available online to help MSMEs for getting DGQA registration?

JSG-015:2021 is available in the public domain and can be downloaded free of cost from the website of the Directorate of Standardisation (DoS), Department of Defence Production (<https://ddpdos/download-free-standards>). DGQA certification is being handled through dedicated digital platform-SRIJANDEEP.

Is there any provision for collaboration and handholding by DPSUs/Services with MSMEs for physical identification of product/component, to be manufactured/developed by MSMEs?

DPSUs regularly organise vendor development programmes at their different units and showcase their products to handhold the MSMEs. Further, DDP organised National Defence Industries Conclave, wherein, DPSUs showcased their products to be developed/ manufactured by MSMEs.

## KEY MSMEs' SUGGESTIONS

Hand holding for MSME/iDEX vendors to develop prototype of critical components by providing them more attempts for trial.

Make/iDEX scheme provides provision of multiple trials for MSME/iDEX vendors developing critical component.

Testing/Validation cost should be exempted for MSMEs/Startups involved in innovation projects with iDEX/TDF etc.

For enhancing export competitiveness of Indian defence manufacturers, DDP has already waived off quality assurance charges levied by Government QA agencies for defence stores meant for export.

Reduce the time taken in grant of Defence Industrial Licences (DILs) to private companies.

DDP has reduced processing time for recommendation on defence manufacturing license applications by reducing the number of consulting stakeholders including DPIIT reducing number of holding License Committee meetings.

Necessary measures are to be taken by DDP for better utilization of SRIJAN Portal.

FAQs and User Manual about utilization of SRIJAN & SRIJANDEEP Portal are available on <https://srijandefence.gov.in/SrijanDeep>. Further, to disseminate awareness, DDP also organizes various webinars/seminars and MSME interaction.

The process of Export and Import authorization is to be streamlined.

DDP has launched revamped defence EXIM portal (<https://defenceexim.gov.in>) for seamless filing of authorisation applications and coordinated processing by all stakeholders ensuring faster clearance.

Need of handholding to mitigate the challenges for MSMEs in northeast region like availability of significant growth opportunities, assured market access, awareness about policies & schemes of MoD to access govt. procurement.

## KEY MSMEs' SUGGESTIONS

DDP has organized MSME Conclaves in cities like Guwahati, Agartala and Shillong during the last 03 years to disseminate information on opportunities available in defence sector under “Scheme for Promotion of MSMEs in Defence”. Further, for development of northeast region, Government of India has also launched “UNNATI” scheme under DPIIT with the aim to foster industrial growth and development in different sectors by offering tailored support and incentives.

Requirement of B2B meetings between MSMEs and DPSUs to know opportunities available, and visit of industry clusters to assess and sensitize about requirements in defence sector.

DPSUs regularly conduct vendors meet/B2B meetings with MSMEs/Start-ups about requirement & opportunities available in defence sector and to address their queries. Further, DDP organized National Defence Industries Conclave – providing a platform for interaction between DPSUs, Large Industries, Policy makers with MSMEs & Start-ups.

Distribution of Booklet/Brochure for MSMEs covering Schemes and Policies of MoD like Indigenisation & Import Substitution, Defence Industrial License, Quality Assurance & Certification, Export & Import Authorization and Testing Facilities & Infrastructure etc.

For the convenience of MSMEs, a compilation of FAQs in the form of Booklet named 'Sankalan' has been published. Further, aspects mentioned are covered during various state level MSME Conclaves and other outreach programs of DDP.

Request for continuous Fund allocation /Financial support from the MoD for innovation.

MoD through its various schemes like Make/iDEX/TDF alongwith other Govt. of India schemes continues to support MSME(s) financially for promoting innovation in defence.

MSMEs mainly do their business in revenue items hence, suggested to implement DAP 2020 provisions provided to MSMEs under revenue purchases also.

## KEY MSMEs' SUGGESTIONS

DPM 2025 provides various provisions for promoting MSMEs like exemption of tender cost & bid security, min. 25% annual procurement of Central Government/Central PSUs through MSMEs, purchase/price preference to MSMEs etc. Further, relaxations to iDEX/other schemes under DAP 2020 are automatically extended in DPM 2025.

Need of a digital database of Indian defence industries mapping their domain expertise and products.

SRIJAN DEEP (Defence Establishment and Entrepreneur Platform – <https://srijandefence.gov.in/SrijanDeep>) portal is developed as a comprehensive database of manufacturers, MSMEs, Start-ups, suppliers with their capabilities, certification, domain expertise, R&D & Testing facilities etc.

More conclaves/Seminars are to be organised to spread awareness about policies/ schemes/ initiatives taken by Ministry of Defence to promote MSMEs into the national defence production ecosystem wherein State Govts. are also to be involved.

DDP organizes 01 National and 12 State Level MSME Conclaves throughout the country every year preferably in Tier II and III cities including participating of States/UTs.

Execution of Surety Bond in place of Performance Bank Guarantee (PBG) for creating level playing field for MSMEs without blocking huge amount as bank guarantee.

For getting maximum participation of MSMEs in defence ecosystem, DPSUs are directed to explore possibility of execution of Surety Bond as an instrument of Performance Security Deposit (PSD) in addition to other instruments.

Reduction of Performance Security Deposit (PSD) from 3% to 1.5% with shorten/relaxed PSD validity period.

To prevent MSMEs from financial burden, DPSUs are directed to explore possibility of execution of proportionate/relaxed PSD, differential PSD for different category of vendors alongwith Surety Bond as an instrument of PSD.

## KEY MSMEs' SUGGESTIONS

Provision may be made for adhoc payment of atleast 75% of the eligible running account bill to vendors within 10 working days of bill submission, in order to avoid delays in payment and contractual issues.

To avoid delays in payment and contractual issues, DPSUs are directed to explore possibility of adhoc payment of at least 75% of the eligible running account bill within 10 working days of bill submission.

Need of Single Window Facilitation at DDP Level to streamline vendor registration process.

DPSUs are directed to utilize data/documents on SRIJAN DEEP portal for vendor registration and seek only those essentially required data/documents which are not available on SRIJAN DEEP Portal.
